

First Amendment to the
New Hampshire School Health Care Coalition
Health Benefits Booklet

WHEREAS, the New Hampshire School Health Care Coalition (the "Plan Sponsor") sponsors the SCHOOLCARE Health Benefits Plan, effective July 1, 2015 (the "Plan"); and

WHEREAS, Section 16c of the Plan reserves to the Plan Sponsor the right to amend the Plan; and

WHEREAS, the Plan Sponsor wishes to amend the Plan with respect to compliance with legislative requirements regarding group insurance plans.

NOW THEREFORE, the Plan is amended effective July 1, 2016 as follows:

The existing "**Substance Abuse**" provision in all Schedules of Benefits and all other references within the Booklet are amended to, "**Substance Use Disorder**".

Section 4. BENEFITS AND SERVICES, "**H. Organ Transplant and Related Services.**" and "**I. Mental Health and Substance Abuse Services.**" are deleted and replaced with the following language.

H. Transplant Services. Charges made for human organ and tissue Transplant services which include solid organ and bone marrow/stem cell procedures at designated facilities throughout the United States or its territories. This coverage is subject to the following conditions and limitations.

Transplant services include the recipient's medical, surgical and Hospital services; inpatient immunosuppressive medications; and costs for organ or bone marrow/stem cell procurement. Transplant services are covered only if they are required to perform any of the following human to human organ or tissue transplants: allogeneic bone marrow/stem cell, autologous bone marrow/stem cell, cornea, heart, heart/lung, kidney, kidney/pancreas, liver, lung, pancreas or intestine which includes small bowel-liver or multi-visceral.

All Transplant services, other than cornea, are covered at 100% when received at Cigna LIFESOURCE Transplant Network® facilities. Cornea transplants are not covered at Cigna LIFESOURCE Transplant Network® facilities. Transplant services, including cornea, received at participating facilities specifically contracted with Cigna for those Transplant services, other than Cigna LIFESOURCE Transplant Network® facilities, are payable at the In-Network level. Transplant services received at any other facilities, including Non-Participating Providers and Participating Providers not specifically contracted with Cigna for Transplant services, are covered only on plans that have Out-Of-Network level benefits.

Coverage for organ procurement costs are limited to costs directly related to the procurement of an organ, from a cadaver or a live donor. Organ procurement costs shall consist of surgery necessary for organ removal, organ transportation and the transportation (refer to Transplant Travel Services), hospitalization and surgery of a live donor. Compatibility testing undertaken prior to procurement is covered if Medically Necessary. Costs related to the search for, and identification of a bone marrow or stem cell donor for an allogeneic transplant are also covered.

Transplant Travel Services. Charges made for non-taxable travel expenses incurred by a Participant in connection with a preapproved organ/tissue transplant are covered subject to the following conditions and limitations. Transplant travel benefits are not available for cornea transplants. Benefits for transportation and lodging are available only for a Participant if a Participant is the recipient of a preapproved organ/tissue transplant from a designated Cigna LIFESOURCE Transplant Network® facility. The term recipient is defined to include a person receiving authorized transplant related services during any of the following: evaluation, candidacy, transplant event, or post-transplant care. Travel expenses for the person receiving the transplant will include charges for: transportation to and from the transplant site (including charges for a rental car used during a period of care at the transplant facility); and lodging while at, or traveling to and from the transplant site.

In addition to a Participant's coverage for the charges associated with the items above, such charges will also be considered covered travel expenses for one companion to accompany the Participant. The term companion includes

your spouse, a member of your family, your legal guardian, or any person not related to you, but actively involved as your caregiver who is at least 18 years of age. The following are specifically excluded travel expenses: any expenses that if reimbursed would be taxable income, travel costs incurred due to travel within 60 miles of your home; food and meals; laundry bills; telephone bills; alcohol or tobacco products; and charges for transportation that exceed coach class rates.

These benefits are only available when a Participant is the recipient of an organ/tissue transplant. Travel expenses for the designated live donor for a covered recipient are covered subject to the same conditions and limitations noted above. Charges for the expenses of a donor companion are not covered. No benefits are available when a Participant is a donor.

- I. **Mental Health and Substance Use Disorder Services.** Mental Health Services are services that are required to treat a disorder that impairs the behavior, emotional reaction or thought processes. In determining benefits payable, charges made for the treatment of any physiological conditions related to Mental Health will not be considered to be charges made for treatment in Mental Health. Substance Use Disorder is defined as the psychological or physical dependence on alcohol or other mind-altering drugs that requires diagnosis, care, and treatment. In determining benefits payable, charges made for the treatment of any physiological conditions related to rehabilitation services for alcohol or drug abuse or addiction will not be considered to be charges made for treatment of Substance Use Disorder.

Inpatient Mental Health Services are provided by a Hospital while a Participant is Confined in a Hospital for the treatment and evaluation of Mental Health. Inpatient Mental Health Services include Mental Health Residential Treatment Services. Mental Health Residential Treatment Services are services provided by a Hospital for the evaluation and treatment of the psychological and social functional disturbances that are a result of subacute Mental Health conditions.

Mental Health Residential Treatment Center means an institution which specializes in the treatment of psychological and social disturbances that are the result of Mental Health conditions; provides a subacute, structured, psychotherapeutic treatment program, under the supervision of Physicians; provides 24-hour care, in which a person lives in an open setting; and is licensed in accordance with the laws of the appropriate legally authorized agency as a residential treatment center. A person is considered confined in a Mental Health Residential Treatment Center when she/he is a registered bed patient in a Mental Health Residential Treatment Center upon the recommendation of a Physician.

Outpatient Mental Health Services. Services of Providers who are qualified to treat Mental Health when treatment is provided on an outpatient basis, while a Participant is not Confined in a Hospital, and is provided in an individual, group or Mental Health Partial Hospitalization or Intensive Outpatient Therapy Program. Covered services include, but are not limited to, outpatient treatment of conditions such as: anxiety or depression which interfere with daily functioning; emotional adjustment or concerns related to chronic conditions, such as psychosis or depression; emotional reactions associated with marital problems or divorce; child/adolescent problems of conduct or poor impulse control; affective disorders; suicidal or homicidal threats or acts; eating disorders; or acute exacerbation of chronic Mental Health conditions (crisis intervention and relapse prevention) and outpatient testing and assessment.

Mental Health Partial Hospitalization Services are rendered no less than 4 hours and not more than 12 hours in any 24-hour period by a certified/licensed Mental Health program in accordance with the laws of the appropriate legally authorized agency.

A Mental Health Intensive Outpatient Therapy Program consists of distinct levels or phases of treatment that are provided by a certified/licensed Mental Health program in accordance with the laws of the appropriate, legally authorized agency. Intensive Outpatient Therapy Programs provide a combination of individual, family and/or group therapy in a day, totaling nine or more hours in a week.

Inpatient Substance Use Disorder Rehabilitation Services. Services provided for rehabilitation, while a Participant is Confined in a Hospital, when required for the diagnosis and treatment of abuse or addiction to alcohol and/or drugs. Inpatient Substance Use Disorder Services include Residential Treatment services.

Substance Use Disorder Residential Treatment Services are services provided by a Hospital for the evaluation and treatment of the psychological and social functional disturbances that are a result of subacute Substance Use Disorder conditions.

Substance Use Disorder Residential Treatment Center means an institution which specializes in the treatment of psychological and social disturbances that are the result of Substance Use Disorder; provides a subacute, structured, psychotherapeutic treatment program, under the supervision of Physicians; provides 24-hour care, in which a person lives in an open setting; and is licensed in accordance with the laws of the appropriate legally authorized agency as a residential treatment center.

A person is considered confined in a Substance Use Disorder Residential Treatment Center when she/he is a registered bed patient in a Substance Use Disorder Residential Treatment Center upon the recommendation of a Physician.

Services provided for the diagnosis and treatment of Substance Use Disorder or addiction to alcohol and/or drugs, while a Participant is not Confined in a Hospital, including outpatient rehabilitation in an individual, or a Substance Use Disorder Partial Hospitalization or Intensive Outpatient Therapy Program.

Substance Use Disorder Partial Hospitalization Services are rendered no less than 4 hours and not more than 12 hours in any 24-hour period by a certified/licensed Substance Use Disorder program in accordance with the laws of the appropriate legally authorized agency.

A Substance Use Disorder Intensive Outpatient Therapy Program consists of distinct levels or phases of treatment that are provided by a certified/licensed Substance Use Disorder program in accordance with the laws of the appropriate legally authorized agency. Intensive Outpatient Therapy Programs provide a combination of individual, family and/or group therapy in a day, totaling nine, or more hours in a week.

Substance Use Disorder Detoxification Services. Detoxification and related medical ancillary services are provided when required for the diagnosis and treatment of addiction to alcohol and/or drugs. Cigna will decide, based on the Medical Necessity of each situation, whether such services will be provided in an inpatient or outpatient setting.

The following are specifically excluded from Mental Health and Substance Use Disorder Services:

- treatment of disorders which have been diagnosed as organic mental disorders associated with permanent dysfunction of the brain.
- developmental disorders, including but not limited to, developmental reading disorders, developmental arithmetic disorders, developmental language disorders or developmental articulation disorders.
- counseling for activities of an educational nature.
- counseling for borderline intellectual functioning.
- counseling for occupational problems.
- counseling related to consciousness raising.
- vocational or religious counseling.
- I.Q. testing.
- custodial care, including but not limited to geriatric day care.
- psychological testing on children requested by or for a school system.
- occupational/recreational therapy programs even if combined with supportive therapy for age-related cognitive decline.

The following **Benefit Exclusions** bullet regarding “Cosmetic Services” and “Non-medical counseling” is revised as follows:

- Cosmetic surgery and therapies. Cosmetic surgery or therapy is defined as surgery or therapy performed to improve or alter appearance.
- Non-medical counseling or ancillary services, including but not limited to Custodial Services, education, training, vocational rehabilitation, behavioral training, biofeedback, neurofeedback, hypnosis, sleep therapy, employment counseling, back school, return to work services, work hardening programs, driving safety, and services, training, educational therapy or other nonmedical ancillary services for learning disabilities, developmental delays, autism or intellectual disabilities.

IN WITNESS WHEREOF, the Plan Sponsor has executed this First Amendment as of this 24th day of August, 2016.
