Benefit Overview

Express Scripts Medicare® (PDP) for SCHOOLCARE

YOUR 2020 PRESCRIPTION DRUG PLAN BENEFIT

Here is a summary of what you will pay for covered prescription drugs across the different stages of your Medicare Part D benefit. You can fill your covered prescriptions at a network retail pharmacy or through our home delivery service.

Plan Premium	Your group benefits administrator will tell you the amount that you pay for your plan. If you have any questions, please contact your group benefits administrator.			
Initial Coverage stage	You will pay the following until your total yearly drug costs (what you and the plan pay) reach \$4,020:			
	Tier	Retail One-Month (31-day) Supply	Retail Three-Month (90-day) Supply	Home Delivery Three-Month (90-day) Supply
	Tier 1: Generic Drugs	\$10 copayment	\$30 copayment	\$15 copayment
	Tier 2: Preferred Brand Drugs	\$30 copayment	\$90 copayment	\$45 copayment
	Tier 3: Non-Preferred Brand Drugs	\$40 copayment	\$120 copayment	\$60 copayment
	Tier 4: Specialty Tier Drugs	12% coinsurance	12% coinsurance	12% coinsurance
	If your doctor prescribes less than a full month's supply of certain drugs, you will pay a daily cost-sharing rate based on the actual number of days of the drug that you receive.			
	You may receive up to a 90-day supply of certain maintenance drugs (medications taken on a long-term basis) by mail through the Express Scripts Pharmacy SM . There is no charge for standard shipping.			
	Not all drugs are available at a 90-day supply, and not all retail pharmacies offer a 90-day supply. Please contact Express Scripts Medicare Customer Service at the numbers on the back of this document for more information.			

Coverage Gap stage	After your total yearly drug costs reach \$4,020, you will continue to pay the same cost-sharing amount as in the Initial Coverage stage until your yearly out-of-pocket drug costs reach \$6,350.
Catastrophic Coverage stage	After your yearly out-of-pocket drug costs (what you and others pay on your behalf, including manufacturer discounts but excluding payments made by your Medicare prescription drug plan) reach \$6,350, you will pay the greater of 5% coinsurance <u>or</u>: <ul style="list-style-type: none"> • a \$3.60 copayment for covered generic drugs (including drugs treated as generics), with a maximum not to exceed the standard cost-sharing amount during the Initial Coverage stage • an \$8.95 copayment for all other covered drugs, with a maximum not to exceed the standard cost-sharing amount during the Initial Coverage stage.

Long-Term Care (LTC) Pharmacy

If you reside in an LTC facility, you pay the same as at a network retail pharmacy. LTC pharmacies must dispense brand-name drugs in amounts of 14 days or less at a time. They may also dispense less than a one month's supply of generic drugs at a time. Contact your plan if you have questions about cost-sharing or billing when less than a one-month supply is dispensed.

Out-of-Network Coverage

You must use Express Scripts Medicare network pharmacies to fill your prescriptions. Covered Medicare Part D drugs are available at out-of-network pharmacies only in special circumstances, such as illness while traveling outside of the plan's service area where there is no network pharmacy. You generally have to pay the full cost for drugs received at an out-of-network pharmacy at the time you fill your prescription. You can ask us to reimburse you for our share of the cost. Please contact Express Scripts Medicare Customer Service at the numbers on the back of this document for more details.

IMPORTANT PLAN INFORMATION

- The service area for this plan is all 50 states, the District of Columbia, Puerto Rico, the U.S. Virgin Islands, Guam, the Northern Mariana Islands and American Samoa. You must live in one of these areas to participate in this plan.
- You are eligible for this plan if you are entitled to Medicare Part A and/or are enrolled in Medicare Part B, are a U.S. citizen or are lawfully present in the United States, and are eligible for benefits from SCHOOLCARE.
- The amount you pay may differ depending on what type of pharmacy you use; for example, retail, home infusion, LTC or home delivery.
- To find a network pharmacy near you, visit our website at **express-scripts.com/pharmacies**.
- Your plan uses a formulary – a list of covered drugs. The amount you pay depends on the drug's tier and on the coverage stage that you've reached. From time to time, a drug may move to a different tier. If a drug you are taking is going to move to a higher (or more expensive) tier, or if the change limits your ability to fill a prescription, Express Scripts will notify you before the change is made.

- Beginning October 15, 2019, you can access your plan’s 2020 list of covered drugs by visiting our website at **express-scripts.com/documents**.
- The plan may require you to first try one drug to treat your condition before it will cover another drug for that condition.
- Your healthcare provider must get prior authorization from Express Scripts Medicare for certain drugs.
- If the actual cost of a drug is less than the normal cost-sharing amount for that drug, you will pay the actual cost, not the higher cost-sharing amount.
- If you request an exception for a drug and Express Scripts Medicare approves the exception, you will pay the Non-Preferred Brand Drug cost-share for that drug.
- You must continue to pay your Medicare Part B premium, if not otherwise paid for under Medicaid or by another third party.
- When you use your Part D prescription drug benefits, Express Scripts Medicare sends you an *Explanation of Benefits* (Part D EOB), or summary, to help you understand and keep track of your benefits. You may also be able to receive a copy electronically by visiting our website, **express-scripts.com**, or by contacting Express Scripts Medicare Customer Service at the phone numbers on the back of this document.

For an explanation of your plan’s rules, contact Express Scripts Medicare Customer Service at the numbers on the back of this document or review the *Evidence of Coverage* (EOC) by visiting our website, **express-scripts.com/documents**. You can request a copy of the EOC by calling Express Scripts Medicare Customer Service.

Does my plan cover Medicare Part B or non-Part D drugs?

In addition to providing coverage of Medicare Part D drugs, this plan provides coverage for some Medicare Part B medications, as well as for some other non-Part D medications that are not normally covered by a Medicare prescription drug plan. The amounts paid for these medications will not count toward your total drug costs or total out-of-pocket expenses. Please call Customer Service for additional information about specific drug coverage and your cost-sharing amount.

Will my income affect my cost for Medicare Part D coverage?

Some people may pay an extra amount called the Part D Income-Related Monthly Adjustment Amount (Part D-IRMAA) because of their yearly income. If your income is more than \$85,000 for individuals and married individuals filing separately or \$170,000 for married individuals filing jointly, you’ll have to pay an extra amount directly to the government for your Medicare Part D coverage. If you have to pay an extra amount, Social Security – *not your Medicare plan* – will send a letter telling you what the extra amount will be and how to pay it. If you have any questions about this extra amount, contact Social Security at 1.800.772.1213 between 7 a.m. and 7 p.m., Monday through Friday. TTY users should call 1.800.325.0778.

Read the *Medicare & You* 2020 handbook.

The *Medicare & You* handbook has a summary of Original Medicare benefits, rights and protections, and answers to the most frequently asked questions about Medicare. You can get a copy at the Medicare website (<https://www.medicare.gov>) or by calling 1.800.MEDICARE (1.800.633.4227), 24 hours a day, 7 days a week. TTY users should call 1.877.486.2048.
