

# Identity Fraud Expense Reimbursement

## COVERAGE HIGHLIGHTS

Identity fraud is the fastest-growing white-collar crime in America, impacting one in every 20 consumers.\*

### Why you need protection

Becoming a victim of identity fraud is a frightening, frustrating experience. It can happen to anyone at any time in a variety of ways, ranging from a stolen wallet or home burglary to online theft of your personal information.

Recovering from identity fraud means more than just canceling credit cards. Not only can it be a complicated and stressful experience, but it can cost your employee or member of your organization hours of time and out-of-pocket expenses to re-establish their credit and clear their name. The hard reality is that victims must painstakingly prove, often to disbelieving creditors, that the debts are not their own. Purchasing identity fraud expense reimbursement coverage for your employees or members can be an affordable and compelling addition to your benefits suite.
