

# BIOMETRIC SCREENINGS COMING SOON!

**Check out the full listing of locations currently available and reserve a spot for the on-site screening of your choice!**

## How Does Your Health Measure Up?

When it comes to your health, what you don't know could hurt you. That's why Biometric Screenings are so important. If you have not yet obtained your biometrics through your doctor's office, sign up for a free on-site Biometric Screening.

## 20 Minutes Could Change Your Health

Biometric Screenings are quick and provide you with the information you need to begin making healthier choices, including:

- HDL, LDL & Total Cholesterol
- Triglycerides
- Glucose
- Blood Pressure and Pulse
- Height, Weight, Waist Circumference and BMI
- Educational Resources
