

First Amendment to the
New Hampshire School Health Care Coalition
Health Benefits Booklet

WHEREAS, the New Hampshire School Health Care Coalition (the "Plan Sponsor") sponsors the SCHOOLCARE Health Benefits Plan, effective July 1, 2017 (the "Plan"); and

WHEREAS, Section 16c of the Plan reserves to the Plan Sponsor the right to amend the Plan; and

WHEREAS, the Plan Sponsor wishes to amend the Plan with respect to Maintenance Drug Products.

NOW THEREFORE, the Plan is amended effective July 1, 2018 as follows:

Section 4. DEFINITIONS, add as follows:

Maintenance Drug Products. A Prescription Drug Product that is prescribed for use over an extended period of time for the treatment of chronic or long-term conditions such as asthma, hypertension, diabetes and heart disease, and is identified principally based on consideration of available data resources, including, but not limited to, First DataBank or another nationally recognized drug indicator source and clinical factors. For the purposes of benefits, the list of your plan's Maintenance Drug Products does not include compounded medications, Specialty Prescription Drug Products or Prescription Drug Products, such as certain narcotics that a Pharmacy cannot dispense above certain supply limits per Prescription Drug Order or Refill under applicable federal or state law. You may determine whether a drug is a Maintenance Medication by calling Cigna member services at the telephone number on your ID card.

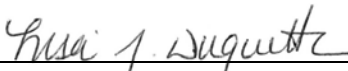

The following provision applies to all Schedules of Benefits at the In-Network level:

Maintenance Drug Products may be filled in an amount up to a consecutive 90-day supply per prescription order or refill at a retail Designated Pharmacy or home delivery Pharmacy.

Note: a retail Designated Pharmacy is a retail Network Pharmacy that has contracted with Cigna for dispensing of covered Prescription Drug Products, including Maintenance Drug Products, in 90-day supplies per Prescription Order or Refill.

IN WITNESS WHEREOF, the Plan Sponsor has executed this First Amendment as of this 11th day of July, 2018.
